Accommodating requests for different space set-up is limited by the configuration of the space, square feet in the space, and legal capacity of the space. Please see space layout options available from the Facility Use Coordinator.

The District may require two facility supervisors for set-up and/or tear-down.

**IX. Food/Catering**

No on-site kitchen is available for use. All catering must be brought in and taken out for the rental. Trash removal will be provided. Linens are not provided.

Arrangements for catering details are to be made between the renting party and the caterer. The renting party is required to update the Facility Use Coordinator on catering details.

Persons failing to abide by this restriction shall be required to leave the school district premises immediately.” (Board Policy 1003.7)
